COOPERATIVE: Willing to get it done.

MOMENTUM-DRIVEN: Fast Start. Enthusiastic.

BUILDING DEEP

4 deep ~ MD Trainer

8 deep ~ SMD

BECOMING MD JUST GOT EASIER

12 TIMES FASTER TO BECOME MD.

Graphics are shown as examples:

- Faster recruiting
- Faster solutions
- Field training
- Faster licensing

SUGGESTION: When qualifying for SMD, you need to have more than 2 MD legs to ensure a strong base after replacement due to the faster and easier MD qualifications.

ARE YOU READY FOR A BIG EXPLOSION?!

COUNTING POINTS

CREDIT vs COMMISSION

Credit = gives points to the person who refers the business

Commission = gives money to the agent who closed and will follow up with all the requirements

The following slides shows examples of who gets the credit for points to count towards GX regardless of who makes the commission.

SCENARIO #1

AGENT "A" recruits **RECRUIT "B"** who opens an account for 10K Points.

COMMISSION

COMMISSION

**In this case, a licensed upline or sideline trainer helped close the sale for B. That person would receive 10K credit for GX and 10K in Commission.*

SCENARIO #2

AGENT "B" has **RECRUIT "D"** who owns an account (10K Points).

In summary...

Whoever JOIN-OWN-SHARE

Gets 100% credit of the points—doesn't matter if licensed or not licensed

The Direct Upline

Gets to credit 100% of the points from the Join-Own-Share of their direct recruit—doesn't matter if licensed or not licensed

The Licensed Trainer

Gets to credit what is on Leaders Bulletin

RECOGNITION vs CONTESTS

Recognition = may be based off “credit” (submitted points) for recognition like GX status, apparel, etc.

Contests = can be based off credit (submitted points) or points on mywfg. **Each contest can vary.**

Example:

GX10 (submitted points) to get recognition slide on webinar

GX10 (must be on mywfg) to qualify for GXperience

If KB wants to complete GX in July, he just needs 1 more recruit either

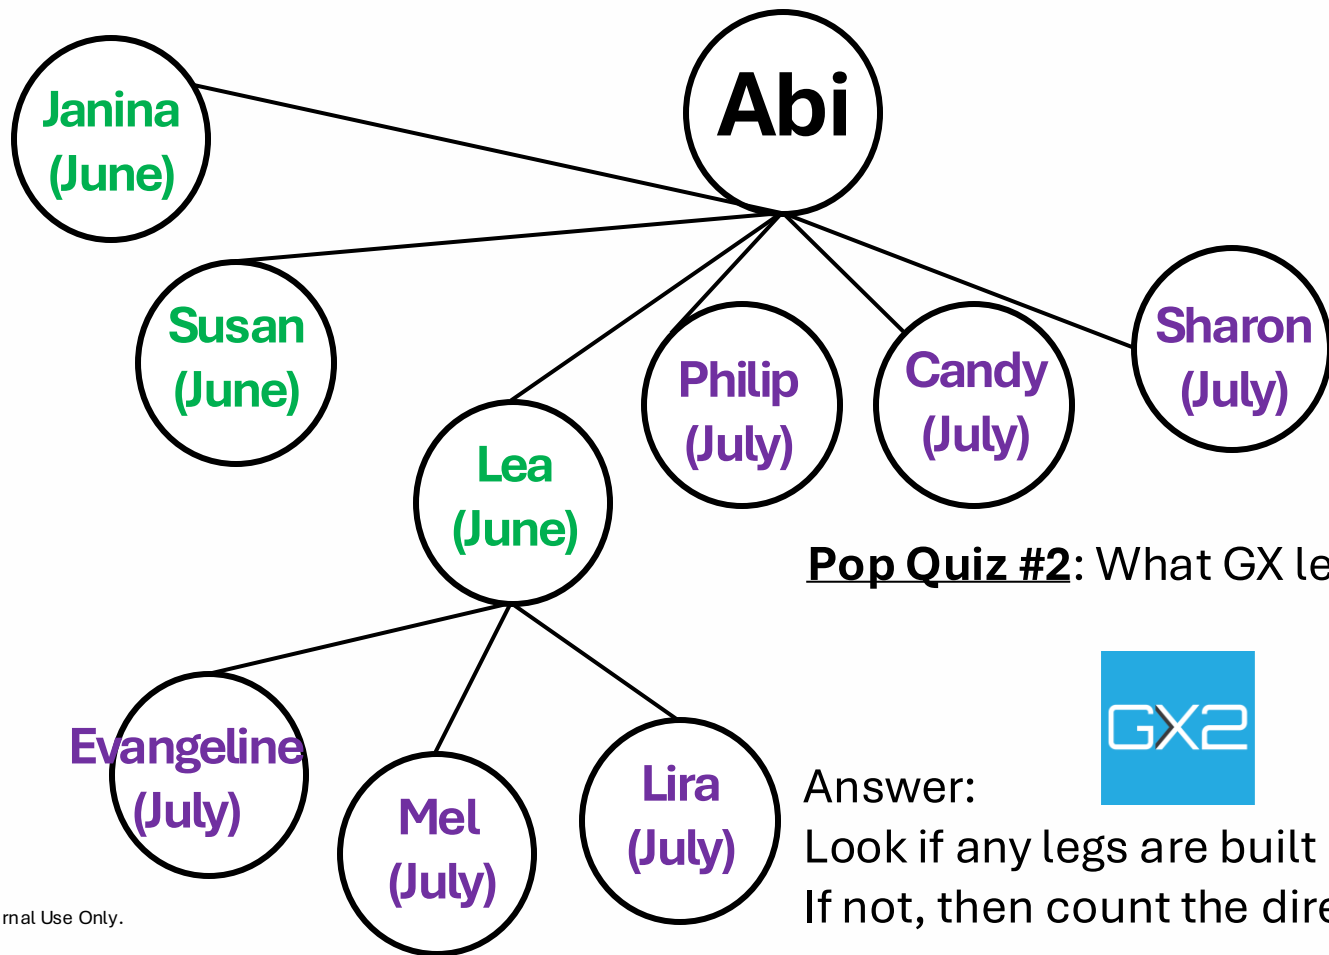

- Direct
 - under KM
 - under JP
- (3 ways vs 1 way!)
